

# Heater/Heat Exchanger Retrofit Program

Siemens Water Technologies offers a complete Heater/Heat Exchanger (H/HE) retrofit program, designed to address everything from simple repairs and upgrades to complete replacements. With our dedicated sales, service and engineering staff, we can make repairs for you on a turnkey basis or we can work with the contractor of your choice.

The Siemens H/HE Retrofit program is your source for Envirex® and PFT® O.E.M. replacement parts, engineering support and on-site installation services.

## Program Features:

- Inspections for any component or complete digestion systems are available
- Complete repairs or replacements utilizing your crew or ours
- Gas Safety Equipment (GSE) replacements and repairs
- Rebuild existing equipment to "Like New" condition
- Same warranty as new
